

# Being the Change

A climate-themed interfaith community labyrinth walk

**Sunday, April 28 from 3:00-5:00pm**

Church of the Advent, 28 Pleasant Street, Medfield

An optional invitation:

During your walk,  
you may hold and keep  
a small item from nature  
chosen from this table.

If this piece of nature could  
speak to you, what would it  
say to you?

You're invited to arrive anytime and

- celebrate in prayer and action our commitment to protect our common Earthly home.
- experience a candle-lit labyrinth walk to music... give yourself quiet time for peace for yourself, peace with creation, and peace with one another.
- receive creation care resources as we continue to work for climate justice.

**Church of the Advent**
